

## Making a Name for Ourselves

Genesis 11:1-26

Big Idea: When we attempt to make a name for ourselves, we choose safety, and security, and live small lives. God always accomplishes His plans.

1. Man built up.
  
2. God came down.
  
3. Overarching thoughts:
  - A. Unity is not always good.
  
  - B. Buildings and community are not the issues. Heart motive is.
  
  - C. God permits sinful things to accomplish His ultimate end.
