

## **God's Protection of His Promises**

### Genesis 20

**BIG IDEA:** God's ways are not our ways. God will protect His promises and the institutions He has set up. He thinks long-term, and He does things in His timing.

1. Abraham does it again.-vs. 1-2, 9-13
  
2. God's intervention and protection.
  - A. When God makes a promise, it will get done.
  
  - B. God protected the covenant of marriage.
  
  - C. Human sin cannot stop God from accomplishing His purposes.
  
3. Abimelech's integrity and healing.
